I graduated High School almost 15 years ago (June 1996), so today's songs will all be from my High School years from now on! ☐ Yes, I am old.

This song was released May 13, 1996. One month later on June 13, 1996, I graduated and this song defined that moment of my life. This song, unlike so many others, was an anthem that I really loved.

This song finally converted me from an 80's and early 90's "Pop" person to a full-blown rock lover in 1994

This is a puppet of the nation, Alevuss. I have the same political stance on everything when out of character. In-character, it's a despotate, required to hold elections and certain rights by Alevian constitution since 1999. Also, the colony is called Alevuss Puppet, but is sometimes referred to as Alevian Morocco.
