wELP, looks like i can't become citizen in there, and judging by the fact that  
it's impossible to Import things and apparently they whip criminals in the  
middle of the street without a proper trial, i better stay in home and never

NS Stats are not canon, in case you're using those. 30-40% is the tax rate you'd actually be paying. 🇹🇩

If you made it past the Navy (sea border) I think we'd be so impressed we would offer you a role within the defence force, with residency included. That's the kind of resilience and determination we're looking for!
