The cuter I and smaller make my nations' inhabitants, the more prone they are at shooting at things.

*I wonder if their smallness and cuteness is the reason for their violence-prone nature*

"The cuter I and smaller make my nations' inhabitants, the more prone they are at shooting at things."

Chihuahua syndrome

Ninja'd: When the Government is too scared to commit to any side in WWII but one million Americans still go to fight anyway.

why would they be scared of money, sounds very unamerican

Interesting...

 [The Tsardom of Alaska](#) 

Царство Аляски, or the Russian Empire lives on in it's old colony, Alaska after the conclusion of the Russian Revolution of 1917. Standing with it's allies against the Moscow Accord of Russia and it's alliance members, nevertheless world tensions dwindle and the people of Alaska grow ever more desensitised with the conservative status quo, and their insistence on clinging to a now redundant past.
