MT set in 2023; probably slightly less fucked than RL at this point. NS stats shot with a longbow at Agincourt.

Asmara

I'd say this nation is about 85-90% representative to my beliefs

About the only difference between my nation and beliefs is that free markets are effective in a select few situations, and the compulsory organ harvesting is kind of screwed up

I'm probably in the minority, but I actually pay more attention to in game stats than to roleplay
