Not illegal if you have consent. Happy slapping without consent might be considered as assault and therefore could give you possible jail time.

Kinda complicated under the Imperial Plunder and Seizure Statute All Royal and Imperial Armed Forces are allowed to plunder regardless of Geneva. Whatever loot is pillaged is split evenly among the soldiers that took part in the siege with Officers taking larger cuts. Soldiers are allowed to do what they want with their cut of the loot.

Sometimes loot is kept in honor of the Emperor who can sell it back to the citizens.

Under the IPSS, Loot and Plunder is regarded as black market items and if a soldier takes another's cut, they must resolve it personally. If a soldier reports that another soldier stole his cut of the loot to his Officers, both soldiers lose both of their cuts and the loot is given to the Officers of the Emperor.

Depends on types of war crimes and if the command has given permission for this. Laka does not recognize civilian targets as illegitimate ones and attacks on civilian infrastructure as well as collateral damage are acceptable, so are civilian deaths. However marauding and rape shall not be tolerated- for such heinous crimes in cases of individuals a shooting squad is often used and in cases of extremely large units (up to a company)- decimation.

Imprisonment. Due to the mitigating circumstances, it is not a life imprisonment, as per the punishment for unsanctioned torture, but it would be a hefty one (at least 15 years).
