IC: America has fractured following the Second American Civil War. The blinding light of America's promise has grown dimmed, snuffed by the liberal scum and the corrupt marauders who now control vast swaths of the former United States. The sweeping hordes of crypto-commies, urbanite varmin', and Northie criminals threaten to overturn the way of life that has defined this country since its founding. Only we carry the legacy of our Founding Fathers. Only we have built a nation they would be proud of. And only we protect the values that built this country.

Arising from the South, a new, good nation shall rise from the corpse of the old America. *Dio Vindice.*
