A small, forested, secular, crypto-post-left libertarian market socialist, Germanic, mixed postmodern/formicapunk-esque nation in NW Europe with ~~a quasi-accelerationist foreign policy~~ and a population of around 600,000, mostly in the capital Cofatreow, and consisting of the regions of Bomelau in the north, Stanley in the west, and Meretone in the east.

Tutto è possibile, Entro i nostri limiti

In Italian it means

Anything is possible, within our limitations

Or at least i hope that's what it means since these days you can't trust google translate. For all I know I could be saying "Your mother was a hamster and your father smelt of elderberries!" PS: If you get that reference then you are very cultured.
