[Machtkrieg - Stahlkrieg](#)

Nice. I like it.

Do you think you would like instrumental metal?

[Hammock-Rising Tide](#)

2 albums over an hour long done today. Not bad.

3 albums over an hour long done total by these guys since yesterday morning, I think.

None of them are as long as their hour and 50 minutes long album, though

I like some instrumental metal.

Someone gave me a +40 minute pagan metal song they want me to listen to, but I said that's too long. :/

I love really long songs but there are albums I avoid for a little while because they're that long.

Hah, my computer didn't get the whole picture so my dad and I thought the bands name was "Detroit Dies". It'd be fitting....

And yeah, nice album cover ☐
