Dmitry Yazov is grabbing his popcorn, invited some warlords to come and brought Zhukov's White Cokes, For he is watching the Final Trial of Democracy unfold.

I just wanted to state that i'm **NOT** a communist, nor a socialist. I just want to experiment with this country.

Also, I need some rest, so I'm less active on NationStates. Feel free to telegram me though!

The best thing to do Efilin is to know when to rest and take a break when needed. If you need one it's good to take one. :3

Pathy, Wasco should Efilin take a break?

Preferably one that involves a fluffy blanket, a towel from Albuquerque, and with hot chocolate with whipped cream and marshmallows.

What in God's name does Albuquerque have to do with this

Byron.

Quel est la réalité? Mon souffle, tellement mécanique!

A grey rain falls on Revachol. The city soaks in it, cold and dripping. Waves hit the concrete breakers. The homeless huddle by the fires behind the fences. There, among the shacks, is your home. Stay. Have a drink. This is somewhere to be. This is all you have, but it's still something. Streets and sodium lights. The sky, the world. You're still alive.
