"Uh, Zitragrad? I've never heard of such a place. Sounds Eastern European if you ask me... Wow, this is... Quite a long article, not to mention throughout... I'd like to think he's perhaps quite the risk-taker, after all, one doesn't decide to just go after the big man on just an impulsive thought after being wrongly accused, most people just shut their traps and aim to disappear, but he didn't and it shows he is committed to his ideals, not to mention an achiever. Since by the time the editing stopped on this article, he was already in control, and while there was an air of optimism, there was also an air of fear from the editorial crew who wrote this, and I don't blame them. After all, this looks like a man that would go all out to achieve what he has proposed, even if he has to throw a lot of people under the bus... And judging from the bloodied message on this? Yup, this isn't a man who tolerates backtalk lightly, to say the least... WHAT WAS THAT?!"
