One of the few instances where the cover is vastly superior to the original.

Oliver Heldens & Throttle - Waiting. I've listened to this since about 2017, and I think it's one of the best tropical house songs out there. It really reminds me of a tropical city scene during a monsoonal storm in the late afternoon. And I'll just imagine it in my head, because it's the dry season right now. *Yeah I've been waiting for your love, love, love; baby, I've been waiting for, waiting for your love...*

Stephanie Bettman - *Deja Vu*

CYNIC, n. A blackguard whose faulty vision sees things as they are, not as they ought to be. Hence the custom among the Scythians of plucking out a cynic's eyes to improve his vision.
