By the way, Procrast isn't one of my alts, just I find the concept of their nation very amusing, and it keeps getting better. However, regarding anogbwt gbwpfg, fqeide ox fgr xbrqpsg vqfmwt.

Fairly well known in F7 and in other spheres!

They're already quite memorable for me subjectively even before they made their nation Norse Inuit Union. I can remember them as **Dangine** and they used to ask me a lot of questions, which was a memorable interaction for me. And they thought that **Azur Deutschland** was a Shinto expert, so that was my fault hahaha.

I'd think that their nation **Dangine** is quite well known in the Cards trade. And everyone I think can remember their shitpost nation **Poop hahahahahhahahhahahahaha** in F7 though not exactly for the best reasons. After that, surprisingly (in a very pleasant way!) they've managed to turn around and became more well known as a new F7 effortposter as Norse Inuit Union here in F7.

They're very recognizable and instantly stand out among their fellow NS users, with their catgirl aesthetic being unmistakably *them* (not in a bad way, of course.) Therefore, assuming you have any substantial time on NS, you'll recognize Feyrissshire and their abundant F7 posts and certainly respectable number of posts elsewhere. With this in mind, they're very very well known.

While a fairly new nation, their creativity in making their nation has made them instantly recognisable and quite well known in F7

I've occasionally seen them before in a few other threads, but they're probably not the most well known nation.
