A parliamentary democracy with a figurehead monarch.

Hi, it's been a while. If you're seeing this then it means what I'm working on is not quite done yet. You can still read my old stuff but it's probably not canon anymore. I'll try to get something up soon. It may or may not involve wizards.

If men were angels, no government would be necessary. If angels were to govern men, neither external nor internal controls on government would be necessary. In framing a government which is to be administered by men over men, the great difficulty lies in this: you must first enable the government to control the governed; and the next place, oblige it to control itself.

We are not an apolcypse themed nation anymore read my factbook. I barley follow nation states stats. We are an Empire that gives civil rights and there no problem with that. We are advanced and would like anyone who wants to be friends to telegram us.
