By the looks of things, very well known, especially in F7.

A solarpunk-lunarpunk, democratic confederalist PMT-FT nation transitioning towards a communist society.

They may have been founded nearly 2 years ago, but they haven't really had that many posts, so I'd say largely unknown, especially outside F7.

Rather well known across multiple forums. I've seen them a lot in F7, and on the role play forums like II.

Seen them around a decent lot, mainly on the II board. So I'd say decently known within the II userbase.
