Alternate timeline where the French Republic does an oopsie and gets booted out of the mainland to be replaced by the semi-fascist nation of the French Popular State.

still figuring out what all the buttons at the top of this do

Yeah sure, seems nice enough. Though the pacifist stance of this nation is a little worrisome as it may undercut the nicety of it in the long run due to outside forces (and as far as I can see, it would only need a slight push).
