In my dystopian hellscape that would rival the Republic of Gilead...oh, my, it would be something ghastly, maybe a stoning or hanging or something like that.

Watching unapproved TV programming.

Alternate Virginia ruled by a far right Christian Fundamentalist regime, guided by the Dominionist ideology of theocracy.

I'm not a Christian Fundamentalist in real life, nor do I LARP as one. You guys seem to need to distinguish between IC and OOC.

Not a crime.

Human Trafficking.

Godulan Puppet #2, RPing as technologically advanced tribal society founded by mongols and vikings (and later with multiple other Asian and Native American cultures) motivated by an intrinsic devotion to the spirit of competition. They'll walk softly, talk softly, and make soothing noises as they stab you in the back and take your stuff... unless you're another Caleshan, whereupon they'll only stab you in the back *figuratively*!

Used NS stats: Population. That's it. Anything else not stated in the factbooks is not used.

No punishment, unless you stop paying us protection money. In that case, seizure of assets and corporal punishment are enacted.

It would be considered an act of public indicency and Dangerous behaviour, other than being considered an Absolute idiot in court, overall It would be 2 months of social services and a 5000\$ fine

Torture for as long as we can give. And public ridicule. And seizure of everything you own to pay for all the medical bills. And your family being held hostage and also tortured.

Depends on regional laws, if you are only faster by like 10 KM/H then you're most likely just gonna get a Class 2 punishment (NS\$100 fine) in Barnumberg, Bernchinshot, Bleshe, and Edgebol; meanwhile in Ostry, Bornesandgrave, Ntwich, and Dsormere you get a Class 3 punishment (NS\$1000 fine). But if you're faster by something like 20 or more KM/H then you might land yourself a Class 5 punishment (25 weeks in torture prison, Cavirfite torture prisons are either totalitarian or ultra-totalitarian so 1 week there is like 7-10 years in an American prison) in Ostry, Bornesandgrave, Ntwich, and Dsormere; Barnumberg and Edgebol are most likely to prescribe a Class 3 punishment (NS\$1000 fine); and Bernchinshot and Bleshe will prescribe a Class 4 punishment (10 weeks in torture prison) or a Class 5 punishment (25 weeks in torture prison) if someone is killed or otherwise injured as a result of your speeding.

If you are caught, you'll most likely get a Class 4 punishment (10 weeks in torture prison which is equivalent to about 70 to 100 years in the prisons of other developed countries) in almost every region except Barnumberg, Barnumberg will most likely set you free or give you a Class 3 punishment (NS\$1000 fine) for trespassing.
