That's a lot of posts in a somewhat short amount of time

You've gotta have seen them somewhere here, so I'd say they're well known

Freedom fighters according to themselves, a dangerous terrorist organization to the Federation  
Disseminating a corrosive ideology amongst the corrupt Cygnus Federation  
Piracy since even before founding, nothing says good times like space scurvy  
Some good fun, that doesn't represent my views, but I would hope you could discern that yourself

Hello there ~~(old)~~ sport.

So, in my opinion ( which I respect ), I believe that Finntopia is quite well known in Forum 7 indeed... For the right reasons? For the wrong reasons?.. Well, I will let others be the judge of that, but either way; it's still quite... Hmm, how should I call it? Comforting, a warm feeling to see you still around and present posting on F7.

So yes, I have some memories of Finntopia indeed, but as for the rest of NS and Forum 7 to be specific, I don't know how much of an impression you may or may not have left on it, but is it safe to assume that at the very least on these short F7 games you are a common enough sight that most others can recognise the nation name **The Finntopian Empire** quite easily, hmm?

Well, here's to another dozen or so months here, right Finntopia? And good luck to you :)

☐ To be completely honest, I don't know this guy until today, but then again I'm a newbie so that ain't saying much. But based on the essays made by this schizo, I can safely conclude that AN is well known.

Though eclipsed by other F7 posters in terms of quantity of posts, AN stands out for posting like a posh and verbose gentleman in this site, makes me imagine him as a sort of mysterious phantom thief that mocks his enemies. So even if you don't see them often, their writing will certainly stick to you rent free. Their writing is so verbose in fact, that I'm having the urge to express my words like an essay with a set word count minimum.

As for their known-ness in other forums, I can't say much. But I won't doubt if AN is known around those parts for having an extensive vocabulary.

As for the user, who is apparently named GrangerAirstrike, his known-ness could be greater than The Hyrulean Princessdom because he has a couple of nations under his region-belt.

tl:dr, well known.

P.S, I'd be amazed if I don't get ninja'd now.

Edit:

I just got ninja'd by a one liner. Is this a coming of age for soon to be effort posters?

Anyways, ~~Kirmizistan~~ Kirmizistan is well known I'd say.
