Futuristic yet depressing-looking city, just the perfect recipe for an authoritarian state.

White collar lizards

Note: Many factbooks are in a constant state of WIP or being considered for entire rework or deletion

Welcome to The Alpes a Septentrionali Imperium, a nation where I brutalize and adapt Latin and French History to my needs to get my Ultraroyalist Absolutist French Monarchy with a vaguely French-sounding fictional royal family to work.

Don't ask about the flag, it has something to do with RMB RP that I'm involved with.

If that's sakura, then they might just be a nation of weebz

☐ So, this is where I write a signature. I'll replace this with something else later.

☐ Quaeg's just a nation trying to make its way in the world. We're out-of-the-way, pleasant and overthrew the king in a violent revolt. Come and visit, everyone's welcome!

☐ Copy and paste this in your sig if you passed biology and know it's completely irrelevant to your opinions on gender and sex

Overview. Just FYI, The flag's a sunset, not a sunrise, and the Quaeg is pronounced Kw-ay-g.

Casual and fun military service

Hi, it's been a while. If you're seeing this then it means what I'm working on is not quite done yet. You can still read my old stuff but it's probably not canon anymore. I'll try to get something up soon. It may or may not involve wizards.
