Jason Derulo - Cheyenne, haven't listened to that in months. Reminds me of a lonely drive on a cool winter night, having first listened to it in mid-2015 (yes it was winter here, with most summer songs released in these months and such, which I feel weird about, but my nation is based in the northern hemisphere, I digress). Man, the "[/hr]" code is a bit annoying whether I'm typing a dispatch or a forum post.

also...
