I learned some surprising things, such as the current Prime Minister being a shape-shifting half-dragon who is banned from entering Russia due to his criticism of Putin and has found himself the victim of internet memes associating him with Burger King, Pepsi and Doritos - 'tis weird what a person's rivals will latch onto. □

New Zealander wonders what the Old Zealanders were like.

**Welcome to Merryland; hiring extremely depressed teenagers as truck  
drivers and pilots since 2015!**

BREAKING NEWS: In a surprising shift of morals, Mary Rothberg stands with  
#FixTF2. Four bot hosters have already been killed and one critically injured by  
Merryman-backed vigilantes. "SET THIS BLOODY GAME RIGHT OR WE'LL DO IT  
FOR YOU!"

**Theme for the Merrymen**

TL;DR 'we live in a society'-type international nihilist anarchist terrorist group evolved from a street gang in London that embraces violence, detests conformity and the law, and pride themselves out of committing crimes, getting into mischief and acting out their most depraved and extravagant desires in order to bring about the downfall of society... just for a bit of fun.
