Randy Newman - *Short People*

CYNIC, n. A blackguard whose faulty vision sees things as they are, not as they ought to be. Hence the custom among the Scythians of plucking out a cynic's eyes to improve his vision.

Gorillaz vs. Skinner & Chalmers – [Steamed Hams, Inc.](#)

Meanwhile, I still struggle to find the original instrumental for Madonna's *Crazy for You* ... you know, the one as it was composed for the original version, and not the unofficial ones which are noticeably different? The worst case is buying FL Studio and remaking the whole track from scratch, with a little help from Benitez and Lind ... but I digress: that is for another time.
