Quite well known, especially over on International Incidents.

Imperial States of Duotona

Duotona is a nation nestled in the Pacific Ocean. Marked by the scars of its bloody past, the people of Duotona persist and have given the nation a voice from which it preaches the word of peace and democracy across the globe!

Nation reflects OOC views. NS stats are sent to the shadow realm.

Duotona is one of the well recognised and famous people on F7.

Proud member of The Iron Alliance

On the morning of 1792 NS Stats were brought out on the streets of Paris.

Very well-known in F7, I'm sure of that! And I am also quite certain that they have quite a following and rep in their RP circles.

Dey pretty prolific on F7, so I think they're pretty well known in that regard. I do not however have any familiarity with their presence on any of the RP forums. So... middling-high?

Yes, i know you

The Sith Empire is a force of dominance, an authoritarian state forged from militarism, totalitarianism, and the dark side of the Force. United under a single Empress, her Dark Council and by the Empire's Wrath, ruled by the Force-sensitive members of the Sith Order and supported by 30 trillion loyal citizens, the Empire forsakes the freedoms offered by the Republic in favor of strength and order. The Sith Empire will stop at nothing to become the greatest power in the galaxy. Although an uneasy truce has settled over the galaxy, the Empire does not sit idle. From its capital of Dromund Kaas, Imperial high command exerts total control over the worlds it has conquered, rebuilding its forces to once again to march on the enemies of their Sith overlords.
