Of average renown. Not incredibly memorable or unique, but prolific enough to be decently recognizable.

U.S.S. WILLIAM D. PORTER
1943-1945

The "Willie Dee" was a *Fletcher*-class destroyer built for the United States Navy during World War II. Her three-year career was plagued with a series of hilariously unfortunate events, earning her a reputation as one of the unluckiest warships in naval history. She earned four battle stars for her service in World War II.

Haven't heard or seen them before.

Canon in most things. Examples of exceptions are some policies (due to

glitches).
