"Cultist terrorist group "Kiss of the Devil" found responsible for killings around Meadowfieldian-Kyurtese border"

do this tie into the serial killer that escaped from prison in 2004? or nah?

"SMA soldier found dead with six pounds of table salt found inside pancreas"

Is this smuggling? A (severe) overdose of sodium? Organ failure? An attempt to cover up a murder by diverting attention? You can't just put that in the sig and then just... not offer any details. I am intrigued.
