3.5. Not scary or evil, but unsettling in its simplicity.

How evil is AN? (Based on flag) The most evil thing is the grey tone, and the star on red background. Overall, going to give it a 4/10.

8/10. Looks like the flag of a communist revolution.

Have I been here long enough to be considered an NS elder yet or no?
Fairly conservative, Orthodox Catechumen, Tussia does not represent all of my political beliefs.

Looks similar to the flag of the British Empire (United Kingdom), which were imperialist, but not *that* bad for an empire (abolished slavery with no exceptions in 1843). The Americans abolished slavery in 1863. Rule, Britannia!

The **Konzern** (/kɔnˈtʃɛɪn/), or simply the **K**, is a global corporate republic headquartered in the Alps. Previously a Swiss conglomerate, the Konzern grew to international prominence as a megacorporation after consecutive hostile takeovers of numerous tech and energy giants. The success of the Konzern is largely attributed to its strong internal competitiveness, progressive corporate culture, long-term investments in strategic sectors, and aggressive expansionism. Using its sheer size and capital to its fullest advantage, world domination was achieved by systemically acquiring territory and pressuring governments to privatize their assets.
