Southern-USA (possibly Appalachia)?

Edit for the ninja that I think might be from California or Japan.

Left-wing Utopia

**The Republic of Ourisio:** A semi-isolationist democratic socialist, "muscular" parliamentary republic with hispanophone minorities, conscription and a world-class aerospace and tech industry in the far north. Famous for pioneering powered flight and bad food. Think "Norwayifornia" but more fighter jets and robotic arms.

[Explore Ourisio](#)
