THE PEOPLE * ETERNAL

" We will not bow to your dictation. We are free. We bled to be free.
Who are you to tell us what we may and may not do? We stopped being your slaves an era ago. "

South Reinkalistan is a massive, ecologically-diverse nation notable for its roving student militias and widespread hatred for the elderly. In the midst of a room-temperature cultural revolution that's lost its momentum, the Party carefully plans its next move. As the brittle bones of fragile empires begin to crack beneath their own weight, history's symphony reaches crescendo pitch. The future is all but certain.
