A name uttered in awed whispers across the land! Or possibly somebody I only spotted for the first time in the thread I read before this one... yeah, definitely the latter now I think about it...

Given sheer quantity of messages and the fact even I've seen them around before, surprisingly well known. But then again, I lurk around these forums a lot, so maybe I've just seen more people than I realise.

I can't lie, I've never seen them, but they're older than me and have quite a few posts, so I will say moderately well known.

Crimson Tree is a pretty young nation, but despite that, they've certainly made themselves very well-known amongst several communities. They're a common face—or well, flag—amongst the forums.
