...on the way.

Daughter nation of [The Unified Provinces of Rhanukhan](#), originally created during the course of roleplay events back in 2008 (a "live" summarised replay [is currently unfolding here](#)). The accounts relating to it in Rhanukhan's own factbooks are deliberately vague as the people of Rhanukhan are unaware of many details regarding the island. As such I've established it as a separate nation in order to provide greater insight through its own factbooks.

Daughter nation

A better term for "alt" or "puppet" although I think ICly, technically Rhanukhan was created by Lehpuhrta? Correct me if I'm wrong.

My flag isn't Italian nor Mexican.

I'm not very fluent in English, so pls forgive any possible grammar/spelling mistakes.Thanks.

'tis an ontological paradox - Lehpuhrta was founded as a Rhanukhani colony, but, through time-travel shenanigans, established the ancient civilization of Ahztlarhan that is the precursor of modern Rhanukhan.
