It becomes funnier when you *know* the writer's intention was to write a perfect US and they made up a hellzone instead (or vice versa)

...

I know a certain man who did this, but replace 'modern neolib glorious perfect US' with "glorious perfect Asian-lead reformed/modern Muslim world order with superheros and kpop".

My nation would get jihaded to hell and back IRL, considering reforms to downplay the power of religion is part of what created the mess in Afghanistan IRL and my nation is vaguely Afghan based.
