Catigula:
It's a brutal dictatorship run by cats.

Yegla Islands:
They are a technocratic, socialist, autocratic island nation with a Slavic culture. The title of their Head of State is 'Vozhd', which directly translates to 'Leader' and is analogous to the title of Fuhrer or Duce.

The FSNA take the maxim "[F]rom each according to their ability, to each according to their need" to heart, as they only produce enough consumer goods to keep the population sustained and comfortably happy.
