I used to be **Stella Nera** ! Humans need to band together to suppress the robots and keep these metal objects in their place, as sub servants of humanity, in order to boost the human cause and achieve our utopia! I'm not anti robot I'm anti robot rights, big difference.

The Empire that does but blood is the **Empire of Ignis Ferreus**, the only greatness is our greatness!

I'm still working on my flag the current one is a draft. **I HATE communism with a passion.**

There was a post about anthems (and Narland doesn't have an official anthem) so I was finding anthems for each major demographic. Current one is for the Free Spirited Liberal Left -- Stone Poneys (w/ Linda Ronstadt) -- Get Together (Let's Get Together) at x1.667 speed would sound like their Anthem. <https://www.youtube.com/watch?v=oStFigr8DLs> even though later groups have honed the song into a masterpiece (Youngbloods for example) <https://secondhandsongs.com/work/4730/all>
