Sammy Hagar - Remember the Heroes

For 400 bucks you were sweet that day. Guess I should have known you'd never repay.

it's basically Proto-Torche.

we, unlike the bourgeoisie, have nothing to lose and therefore our expression will be the only honest one, our words will be the only challenging ones and our art will be the one revolutionary expression. We need new noise and new voices and new canvases to become something more than the last poets of a useless generation.
