A nonpartisan presidential technocracy.

The Celestial Empire of the Arians - Arian Empire

The Arian Empire is a multiversal empire spanning 303 multiverses. After conquering its homeworld of Meonia through blood and fear, the empire managed to create several portals leading to other universes. The government is led by Amaranthinos, an immortal sorceress who was once a marshal of the army. She is known for her forced conversions of entire worlds and is famous for managing a harem.

Single-party totalitarian state that is ostensibly socialist but in practise has a lot in common with Imperial Japan (with the whole 'their leaders are effectively divine') and Nazi Germany (propaganda about how their race is the purest one) than any other declared socialist states.
