Total economic collapse

Hey, I exist (*occasionally*). I usually stick to the game (trading cards, answering issues, etc) but in the rare* occasion I feel like making a post, I'll be here. I also have tendencies to howl at the moon and can sniff out 'fendas from up to 30 miles away.

Any complaints? Discord: Humanish#8937 - Telegram for other socials

Tired of having to say this: The Kingdom of Voidstania is not a kingdom. It is a communist dictatorship with a weak democratic senate under the guise of a monarchy. Normal country stuff.

Also, NS stats and policies are not canon (Because I have a tendency to click the wrong options and give myself dumb policies)
