OH GOD IT COULD'VE BEEN SO GOOD

The Insider, Champion.

Also you're right it's definitely similar to Spore's OST.

we, unlike the bourgeoisie, have nothing to lose and therefore our expression will be the only honest one, our words will be the only challenging ones and our art will be the one revolutionary expression. We need new noise and new voices and new canvases to become something more than the last poets of a useless generation.

It's my Life is the best Rock song beside anything by Pink Floyd or Eye of the Tiger.
