The West won the world not by the superiority of its ideas or values or religion ... but rather by its superiority in applying organized violence. Westerners often forget this fact; non-Westerners never do.

Huey Lewis and the news- hip to be square

In '87, Huey released this, *Fore*, their most accomplished album. I think their undisputed masterpiece is "Hip to be Square", a song so catchy, most people probably don't listen to the lyrics. But they should, because it's not just about the pleasures of conformity, and the importance of trends, it's also a personal statement about the band itself.
