Eastern Fardelshufflestein is a quiet, little constitutional monarchy located in the South Pacific. We are well known for our love of weed and South Park, and hatred of Western Fardelshufflestein. WF is a scam by Elizabeth II and Kenneth Branagh to make Bepis smell like Coke.

The Target Store chain decided enough was enough! For the last time, we're not going to give you a refund for a product you bought ten damned years ago!

After decades of being unappreciated, and after pulling some favors with the Russian shadow government, the humble store chain became an independent nation equipped with shopping cart tanks, a small starbucks towards the end of the store, and a vast array of nuclear warheads.
