Yes we have a two-party system

NS stats are canon, except for the population, which is 329,748,284

I'd say this nation is about 85-90% representative to my beliefs

About the only difference between my nation and beliefs is that free markets are effective in a select few situations, and the compulsory organ harvesting is kind of screwed up

I'm probably in the minority, but I actually pay more attention to in game stats than to roleplay

I use NS Stats and my nation reflects my beliefs

Makes things more fun

I've been playing NS in some form since 2016 and founded a region in 2016 under a different account.

I am among the first of the 2016-20 generation of players
