Porcupine Tree-Lazarus.

They already didn't have some of Porcupine Tree on Spotify, and now they seemed to of taken off another whole album, the one with one of my favorite songs, Anesthetize. Another favorite is the one I'm listening to, and Buying New Soul. Seriously, I think my favorite songs of all-time are all 10 minutes or longer. At least between 6 and 20 minutes long. I don't think I have any favorite songs that are 5 minutes and below. Sure, I have songs I like, but nothing that would go on favorites of 'best ever'.

Personally, my favorite long song is Untitled 8 by Sigur Ros, which is 11 to 15 minutes long, depending on the version you are listening to.
