I'd say AN is quite well-known, and about anyone on the site for more than a week should know him

If you've been on F7 a lot recently you will know them.

Factbooks and dispatches (which are works in progress) are the primary source of information for my nation. I try to have my stats match my idea of my nation but I think policies are the stat I can control the most.

I don't dislike anyone here. Agree or disagree, we're all compadres. :-)

Frankly no idea! So technically I don't know them, thus making them unknown from my point of view. And that's because I don't use the forums very often.
