Man feels betrayed by Max Barry and slaughters the Barry family.

Liebeland is on a small island off the western Portuguese coast. NS stats are canon unless anything stated elsewhere contradicts them. Thank you to -Astoria- for helping with the code I used on the daily news thingamajigger.

Mannus and Nam team up to uncover the secret of Nam's mysterious revival. Man joins them, but doesn't reveal that he is on the lam for the killing of the Barry family.

"In the degradation of the great way come benevolence and righteousness. With the exaltation of learning and prudence comes immense hypocrisy. The disordered family is full of dutiful children and parents. The disordered society is full of loyal patriots." -*Tao Te Ching*

It turns out Nam isn't Nam and is actually a clone of Max Barry who had his memories wiped. When he finds out Man killed his family, Max-Nam stabs Man to death and escapes to southeastern Minsk.

To avenge his father, Man Jr. escapes from his kidnappers and hunts down Max-Nam, slowly but surely.

In japan we don't say 'I love you' we say □□□□ □□□□ which doesn't mean anything it just spells out 'Extra Thicc' in japanese symbols.

Man Jr executes Max-Nam and takes control of NationStates. He forces every nation to become communist, as Man Jr is a very devout Marxist-Leninist, and gets rid of all Max Barry smilies and advertisements.

Man Jr. gets a concussion after falling from running to start his second genocide and his brain becomes rewired. Soon after, Man Jr. becomes a peace-loving hippy and quietly retreats to a forest in new zealand where he makes a house out of a grass mound. Shortly after, Man Jr. starts sporting big grey wizard hats and legally changes his name to Gandalf. Man Jr. believes that he is Gandalf from Lord of The Rings.

In japan we don't say 'I love you' we say □□□□ □□□□ which doesn't mean anything it just spells out 'Extra Thicc' in japanese symbols.
