My nation - which is pretty much just a unified Korea with some extra territory - represents my real views, as does pretty much anything I say on the forums. NS stats only broadly representative. Feel free to call me Q&K, Quartia, or any other nickname.

Behind the free market lies the iron fist of the state - the one thing I learned from The Blaatschappen, excluding how to say sheep in dutch.
Update: apparently it's bleating sheep.

My country may seem memey at times, and that's fine. I like a mix of fun and serious. I also have to work with a nation I made when I was in *fourth grade*.

Fun, casual, nonsensical
