A federal left-wing nationalist country situated in a fictional world in the extended Cold War timeline. Authoritarian by Western standards, Libertarian by Eastern standards. Atomic Tech - The year is 1978.

In process of retconning, especially regarding geography and demographics.

"No-the almighty god of all creation"

Huffmania is a state atheist, state capitalist technocracy in Central Europe known for its totalitarianism

Flag and banner are not mine, huffmania does not represent my actual views and NS stats and policies are not canon.
