I don't think I would be really excited for any of your parliamentary factions, but I would probably end up voting for the Colorado Faction.

I'd vote for a party-independent candidate.

I would vote for the Progressive Party of Oateria (PRO), but I do find the Part for Oaterian Beauty (POB) and the Communist Action Party (CAP) to be quite appealing.

Somehow Hazelarch just skipped over me, and most of the time I will just let it go as a simple mistake. However neither Hazelarch nor The Grand Fifth Imperium have any political parties.

Sooo....
