I'm just a simple man trying to make a country on the internet. And yes I do not use NS stats.

The Democratic Socialist Republic of Karevka (DSRK) is supposed to be a stand-in Soviet Union, although with major differences like the allowance of private business (But the state is a partial owner) or the fact that they allow LGBT marriage. Kind of alternate history or alternate universe I guess.

They are communists.

In a broken world after a disastrous WWII using nukes, AI and ethnobioweapons in 2058 that wiped out all humans but blacks, a group of determined merchants and their allies decided to stop the collapse of civilization. They established the Enugu League and later the Onitsha Empire. Under the guidance of leaders such as Joseph Ijeawele, Jessica Udene and Victoria Machie they struggled very hard to resist decline at all costs..

This year was 2091. The disastrous Teen Rebellion caused by Jonah Nyagura and Juliet Udene's disastrous education policies entered its eighteenth year. Jessica Udene, now the queen, was desperately negotiating with rebels. A daughter of a prominent business owner, Victoria Machie, just became the new Minister of Defense, succeeding Nyagura ally Emmanuel Nduka...

Apparently, their anthem was dictated by the Queen. This shows that Onitsha society does not value love of nation nor love of Democracy.

For one, they are a country on what is effectively either the lost continent of Lemuria or Kumari Kandam, going by their map. Secondly, they are the mortal enemies of DCU Atlantis, and they fought the Qing in the late 1800s.

While the prime minister is the de-facto ruler, the emperor still wields considerable power, and is in fact capable of vetoing any motion presented by the prime minister, alongside issuing decrees of his own. As such, the PM and the emperor could be considered co-rulers.

Their least populated province is dominated by a massive fortress-city atop a mountain, which also serves as an important installation of their airforce.
