Well, it is easy going through all of these albums when I classify one to be in a style I can't like and just delete the whole thing.

“ **Corrian wrote:**

I thought most of it was mediocre. I'd rate the album like a 5. But the songs I DO like I really quite like.

Contact being one of them.

It was a nice relaxing album for me...and I loved the funk elements in it.

Plus it's exactly the kind of music I needed after dealing with that horrible weather outbreak this afternoon, so that might contribute to why I like it. ☐

"Contact" was one of my least favorites (but I still liked it).

["Loca" - Shakira ft. Dizzee Rascal](#)

You know, I think this is the first time I'm actually *listening* to Shakira...
Kind of like it.
