\*pulls up a song he heard years ago\*

It's weird when you listen to a song you heard as a kid, and the song has sexual references in it that you understand now, but had no knowledge of back then.

\*Cough\* Pony by Far (Which is a cover) \*Cough\*. Hearing that song now compared to when I was younger...Oh god it sounds so much worse lyrically.

Oh yeah, I remember that. I always thought it was horrid; sounds even more so now. ☐

Sabaton - 1648 (swedish) [http://www.youtube.com/watch?v=FuqIBqw\\_xug](http://www.youtube.com/watch?v=FuqIBqw_xug)

I support peace in Israel and Palestine. The governments and people in power on all sides are an absolute disgrace, and their unwillingness to pursue peace is a disservice to the people they are meant to be serving. The status quo is not simply untenable; it is unquestionably unacceptable.

I used to like it...

Now all I really like is the guitar sounds, though I'm not sure I even care about that much anymore...
