Billy Joel - All My Life
Single (2007)

*All my life
I've searched this whole world through
Try as I might
To find someone like you*

*Years drifted by
But it was always on my mind
I didn't know just how long I'd go
Until I ran out of time*

Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.

Chilean death metal. From the album **Zero Hour**, released in 2014 by Australis Records.

*I sat on the roof and kicked off the moss
Well a few of the verses well they've got me quite cross
But the sun's been quite kind
While I wrote this song
It's for people like you that
Keep it turned on*

Elton John - Home Again
From *The Diving Board* (2013)

*Could have been a jailbreak and the spotlight hitting me
Or was I just some nightclub singer, back in 1963
In the old part of Valencia, on the coast of Spain
Never tiring once of hearing songs about going home again*

*If I could go back home, if I could go back home
If I'd never left, I'd never have known
We all dream of leaving, but wind up in the end
Spending all our time trying to get back home again*

George Michael - Careless Whisper
From *Make It Big* (1984)

*I'm never gonna dance again
Guilty feet have got no rhythm
Though it's easy to pretend
I know you're not a fool
I should have known better than to cheat a friend
And waste a chance that I've been given

Time to pick my heart up off the floor

Elton John - Club at the End of the Street
From *Sleeping with the Past* (1989)

*When the shades are drawn
And the light of the moon is banned
And the stars up above
Walk the heavens hand in hand
There's a shady place
At the end of the working day
Where young lovers go
And this hot little trio plays*

Me and you rendezvous
In the club at the end of the street
Oooh where we meet

Billy Joel - Lullabye (Goodnight, My Angel)
From *Live at Shea Stadium: The Concert* (2011)

*Goodnight, my angel
Now it's time to dream
And dream how wonderful your life will be
Someday your child may cry
And if you sing this lullabye
Then in your heart
There will always be a part of me*

*Someday we'll all be gone
But lullabies go on and on...
They never die
That's how you
And I
Will be*

Billy Joel - Allentown

From *Live at Shea Stadium: The Concert* (2011)

*Well we're waiting here in Allentown
For the Pennsylvania we never found
For the promises our teachers gave
If we worked hard
If we behaved
So the graduations hang on the wall
But they never really helped us at all
No they never taught us what was real
Iron and coke
And chromium steel
And we're waiting here in Allentown*

*But they've taken all the coal from the ground
And the union people crawled away*
