Known by all of F7, perhaps some other places in the forum too. User is likely known in the trading card market as well.

Maybe well known a bit? idk

**- Snowland / the Snowish Republic -**

Snowland, officially the Snowish Republic, is a country located in two entire planets. Snowland is a socialist state, with multiple political parties, but all being a different type of socialism. Snowland contains both humans and furrries.

If you have any suggestions for what I could add to my factbooks, you can DM me what the suggestion is, and I'll see if I'll use it or not. No fascist nations allowed, not even if you don't believe in your nation's ideals.

For BN, maybe you weren't here before my old account CTE'd, but I am Tranzoria.
